MEMORANDUM FOR: Chairman, USIB Committee on Procurement of  
Fiscal Publications

VIA : Committee Secretary

SUBJECT : Critical China Mainland Periodicals

REFERENCE : Memorandum from Chairman, Exploitation  
Committee to Chairman, PROCIB dated  
January 20, 1959

As a result of placing requirements through several sources for critical Chicom publications, it is gratifying to report that an additional four periodicals, cited in the referenced "Critical List," have been received.

Together with 1959 issues of T'ieh-tao Chou-k'an and Hang-k'ung Chih-shih, two highly desired periodicals, the following 1959 issues of indicated titles have been received:

1. Kan-t'ieh Chien-she (Steel) # 14, 27 July 1959  
Last issue received - #10, October 1958
2. Ch'eng-shih Chien-she (City Construction) # 7, July 1959  
Last issue received - #3, March 1958
3. Yeh-chin-pao (Metallurgical Journal) #31, 31 July 1959  
Last issue received - # 16, 17 May 1959

A microfilm containing issues numbers 1-14, 1959 of Chung-kuo Fang-chih (Chinese Textiles) was received from Tokyo in the latter part of July 1959. These were the first and only 1959 issues of this title received. The Embassy was requested to forward subsequent issues and attempt to obtain original hard copies.
